# Table of Contents

<a href="#">Chapter 1</a> .....	3
<a href="#">Chapter 2</a> .....	4
<a href="#">Chapter Heading</a> .....	5
<a href="#">Chapter Sub-heading</a> .....	5
<a href="#">Resources</a> .....	6

# Chapter 1

Some text here.

And then some more text that goes on a bit, but generally makes good reading so that people start to get stuck into it.

# Chapter 2

Some text here.

- Bullet 1
- Bullet 2
- Bullet 3...

# Chapter Heading

## Chapter Sub-heading

Some more text here...

# Resources

**Open Office** - productivity software.

<http://www.openoffice.org/>

**The Frank Haywood Newsletter** – lots of freebies for subscribers and great information issued every week or so.

<http://www.FrankHaywood.com/newsletter/>

**SmartDD** - Instant Digital Delivery for free! Why pay for expensive software to deliver your ebooks and zip files when you can get SmartDD for nothing?

New from December 2007, the free version of SmartDD is completely unrestricted! There are absolutely no limits to the amount of products and items you can deliver to your customers on autopilot.

<http://www.SmartDD.com/>

**Flip This Product** - Your one stop shop for all your Master Resale Rights (MRR) and Private Label Rights (PLR) products. New products added every week that you can "flip" for fast profits!
